PDS 2010 Technology Conference announces keynote presenter, Andy Andrews
September 16, 2010

Bestselling author Andy Andrews to give inspirational keynote presentation

MILWAUKEE – July 19, 2010 – Author of the *New York Times* bestselling *The Traveler's Gift* and *The Noticer* will speak at the PDS 2010 Technology Conference, Thursday, September 16.

Andy Andrews has impacted millions with his creative writing and speaking. Andy's challenging personal message contains truths for those in all walks of life.

What call to action can possibly challenge four US Presidents, the Commander of the Allied Air Forces, General Schwarzkopf and Hall of Fame golfer Nancy Lopez? Could this same message cause every senior leader of the United States Air Force in Europe and the Middle East to assemble in one room - at one time - to listen? What life-changing thoughts could cause ninety-one year old Bob Hope to summon a writer to chat by the backyard swimming pool?

About PDS

For more than 23 years, Paragon Development Systems, Inc. has been providing technology products, services and solutions to medium and large size organizations, improving the quality of life for IT departments in regions across the country. PDS architects, supplies, implements and manages IT for organizations in four primary markets: healthcare, government/higher-education, corporate, and professional services.

In addition to being a major Enterprise Tier product and service value added reseller (for manufacturers such as HP, IBM, Cisco, Microsoft and many others) PDS manufactures its own PDS-branded PCs and video solutions in an ISO 9001:2000-certified 43,000-square-foot configuration center. PDS also offers clients a single-point-of-contact, ITIL-aware resource for service management with a 24x7 help desk.

Headquartered in Oconomowoc, Wisconsin, PDS holds more than 400 certifications in technology services, installation and support of computer systems. PDS has been assessed and approved by National Quality Assurance, USA, an accredited ISO 9000 auditor. For more information, visit: <http://www.pdspc.com>.
